INSTRUCTIONS TO BIDDERS for E-tendering

Instructions/ Guidelines for electronic submission of the tenders are mentioned below for assisting the bidders to participate in e-Tendering.

1. **Registration of bidder:**

Any bidder willing to take part in the process of e-Tendering will have to be enrolled & registered with the e-Procurement system, through logging on to <http://eprocure.gov.in/eprocure/app>

2. **Digital Signature certificate (DSC):**

Each bidder is required to obtain a Class-II or Class-III Digital Signature Certificate (DSC) for submission of bids.

3. The bidder can search and download NIT & Tender Documents electronically from the website mentioned in <http://eprocure.gov.in/eprocure/app> using the Digital Signature Certificate. This is the only mode of collection of Tender Documents.

4. **Submission of Tenders:**

a) **General process of submission**

Bid to be submitted online through the website <http://eprocure.gov.in/eprocure/app>. All the documents uploaded by the Tender Inviting Authority form an integral part of the contract. Tenderers are required to upload all the tender documents along with the other documents, as asked for in the tender, through the above website within the stipulated date and time as given in the Tender. Tenders are to be submitted in two folders - one is Technical Bid and the other is Financial Bid. The tenderer shall carefully go through the documents and prepare the required documents and upload the scanned documents in Portable Document Format (PDF) to the portal in the designated locations of Technical Bid for the following :-

- i) Completion Certificates of Experience
- ii) Audited Financial Statement during the last 03(three) years ending 31-03-2017 along with IT Return etc
- iii) Trade Licence
- iv) PAN
- v) GST
- vi) Any other document the tenderer wishes to submit.
- vii) Work Order in support of ongoing project/Project in hand.

The bidder needs to download the Forms / Annexures, fill up the particulars in the designated Cell and upload the same in the designated location of Technical Bid. Bidder needs to download the BOQ, fill up the rates of items in the BOQ in the designated Cell and upload the same in the designated location of Financial Bid.

The documents uploaded shall be virus scanned and digitally signed using the Digital Signature Certificate (DSC). Tenderers should take note of all the addendum/corrigendum related to the tender and upload the latest documents as part of the tender.

5. **Technical Bid:**

The Technical Bid shall contain scanned copies and/or declarations in the following standardized formats in two covers (folders).

6.2 Time of submission: The original copy of the Demand Draft/ Bankers Cheque/Digital Transfer Acknowledgement slip towards EMD shall be submitted in a sealed envelope in the office along with the signed hard copies of the scanned documents submitted against Technical Bid as stated above, within the date and time as specified in the NIT. If the bidder fails to submit the EMD and the hard copies of the documents within the due date and time his tender will not be opened and his bid will stand rejected. The tender reference no. should be mentioned on top of the EMD envelope.

7. Opening and evaluation of tender:

7.1 Opening of Technical Bid

- i. Technical Bid will be opened by the Tender Inviting Authority or his authorised representative electronically from the website stated above, using their Digital Signature Certificate.
- ii. Technical Bid for those tenders whose original copies of the Demand Draft/ Bankers Cheque/Digital Transfer Acknowledgement slip towards EMD or copy of MSME/NSIC certificate in case EMD exemption is claimed, have been received will only be opened otherwise will stand rejected.
- iii. Decrypted (transformed into biddable format) documents of the statutory and non-statutory Covers will be downloaded for the purpose of evaluation.

7.2 Techno-commercial Evaluation of Tender

- i) While evaluation, the Tender Inviting Authority or his authorised representative may summon of the tenderers and seek clarification / information or additional documents or original hard copy of any of the documents already submitted and if these cannot be produced within the stipulated timeframe, their proposals will be liable for rejection.
- ii) The list of tenderers, whose bids will be found technically eligible, will be uploaded in the web portals. Date of opening of financial bid will be intimated to the techno-commercially qualified tenderers.

7.3 Opening and evaluation of Financial Bid

- i. Financial Bid of the tenderers declared technically eligible, will be opened electronically by the Tender Inviting Authority from the web portal stated above on the prescribed date.
- ii. The encrypted copies will be decrypted and after opening of the Financial Bid, the preliminary summary result containing inter-alia, name of bidders and the rates quoted by them will be uploaded.
- iii. The Tender Accepting Authority may ask any of the tenderers to submit analysis to justify the rate quoted by that tenderer.

NB: In the event of any difficulties while uploading the e-tender, the tenderer may contract the help desk number of NIC i.e 1800111555 or any other valid number

8. Payment :

- a) On completion of the work to a reasonable extent, the contractor may submit Running bills as per the Bill format enclosed as annexure B (Measurement Sheet) and C (Abstract) in duplicate which, after due verification of the measurements and being jointly signed by the representative of the contractor and the representative of EIC. The bill will be forwarded by the Engineering Section to the accounts section for processing of payment.
 - b) Earnest efforts will be made to release the payment within 21 days, if the same is found to be in order and does not need re-submission. Security deposit and IT/GST shall be deducted from the bill as per contract and as per rules.
 - c) The contractor is advised to provide the details of his Bank account to which the payment will be directly credited. A copy of the certified bill will be provided to the contractor for record.
 - d) The payment made against any Running bill shall be considered as advance which will be adjusted against the subsequent and final bills. By getting payment against any item shall not relieve the Contractor from his overall contractual obligations for the entire contract as a whole and defect liability period will be counted after satisfactory completion of the work as recorded by the EIC.
- 9. Timing of working hours :** The contractor will be allowed to work generally on all working days of Centre between 7 AM to 6:00 PM. However, in case of exigencies, the contractor may be permitted to work beyond office hours or on holidays on prior and due permission from the Centre.
- 10. Accommodation for workmen :** No accommodation for the labours or any other representative of the contractor will be allowed inside the Campus.
- 11. Entry of contractor's labours and supervisors:** Being a protective zone, the entry to the centre will be allowed only against a valid Gate pass issued by the Security personnel at the Gate. However, the contractor is to make work-passes for his labours for daily work inside the Campus by depositing the valid ID and a photograph of his workmen and representatives. No workmen under the age of 18 will be allowed to work inside the Campus.
- 12. No-Smoking Zone :** The contractor is to note that the entire Campus of the Centre is Tobacco-free zone and in case of any labours or representative is found to violating the rules, the contractor will be subjected to penalty in the form of fine etc,
- 13. Power and Water :** Power required for carrying out the job (for illumination and minor equipment etc) and water for drinking purposes will be provided free of cost, if available and sparable.
- 14. Entry and exit of Construction and other materials :** While bringing the materials inside the Campus, the contractor is to make Challans which will retained by him for reconciliation of consumption and also for taking out his own construction equipments, tools and tackles, surplus materials etc.
- 15. Materials :** The contractor shall use best quality materials for the work as per CPWD specifications. Before using the materials for the job, he is to get approval of the same from the EIC. All the necessary tests as per IS Code are to be conducted from a Government recognised Laboratory if demanded. The cost of such tests is to be borne by the contractor.

Annexure-II

General Conditions of Contract

Except where-provided for in the description of individual items in the Bill of Quantities and in the specification and Special conditions laid down herein after and in the drawings, the work shall be carried out as per standard CPWD, unless otherwise specifications and under the direction of the Engineer-in-charge of the Centre.

A. Interpretation:

In construing these conditions, the specifications, the Bill of quantities, tender and agreement, the following words shall have the meaning herein assigned to them except where the subject or context otherwise requires:

- i) **The Centre:** The term Centre shall denote Satyendra Nath Bose National Centre for Basic Sciences, Block –JD, Sector-III, Salt Lake, Kolkata-700106 or any of its employees /representatives authorised on their behalf.
- ii) **Site Engineer:** The term Site Engineer shall mean the person/s appointed and paid by the Centre to superintendent the work.
- iii) **The Contractor/Agency/Vendor:** The Contractor/Agency/Vendor shall mean the individual or individuals, firm or company, whether incorporated or not, undertaking the works and shall include the legal personal representative of such individual or the persons composing such firm or company, or the successors of such firm or company and the permitted assignees of such individual, firm or company.
- iv) **Site:** The site shall mean the site where the works are to be executed in the campus as shown in the drawing.
- v) **Drawing:** The work is to be carried out in accordance with drawing, CPWD specifications, the Bill of quantities and any further drawings, instructions etc. which may be given by the Engineer-in-charge on behalf of Centre during execution of the work.
In case any detailed drawings are necessary, contractor shall prepare such detailed drawings and have it confirmed/approved by the Centre prior to taking up such work.
- vi) **The Work:** The Work shall mean the work or works to be executed under this contract.
- vii) **The Bill of Quantities (BOQ):** The Bill of Quantities' shall mean the schedule of quantities as specified and forming part of this contract.
- viii) **"Price Schedule of Quantities"** shall mean the Bill of quantities duly priced with the accepted quoted rates of the contractor.
- ix) **The Bid/Tender** shall mean the proposal /offer along with the supporting documents, submitted by the bidder for consideration by the Centre.
- x) **The Bid/Quotation document** shall mean the documents issued by the Centre to prospective bidders, containing various terms and conditions, scope of work, any requirements etc. or generally

- iii) **Security Deposit :** The Security Deposit shall be deducted from the Running Account Bills/Final Bill at 10% of the certified bill value. The EMD shall form part of the Security Deposit. The ceiling limit of deduction of Security Deposit is 5% of the Work Order value.
- iv) **Refund of Security Deposit :** The Security Deposit may be refunded without any interest after the expiry of the defect liability period as mentioned in Special condition of contract provided the Contractor has satisfactorily carried out all work and attended to all defects in accordance with the conditions of the work.
- v) **Performance Guarantee (PG) / Bank Guarantee (BG)**
 - a) 5% of W.O. value is to be submitted in the form of Demand Draft/Bank Guarantee/Digital transfer as the Performance Guarantee by scheduled commercial bank or to the Centre's bank on any of the branches located at Kolkata as per model format of the Centre. The Bank Guarantee should be sent by the issuing bank directly to the beneficiary (S.N.B.N.C.B.S.) by registered post with A.D.
 - b) The Demand Draft should be in favour of "S. N. Bose National Centre for Basic Sciences", payable at Kolkata. BG will cover the period of warranty/guarantee and will remain valid for a period 30 days beyond the date of completion/extension of all contractual obligations of the contractor including warranty/guarantee obligations with a claim period of another 6 (six) months.
 - c) PG/BG will be refunded to the contractor without any interest whatsoever after it duly performs and completes the contract in all respects within 90 days of completion of all such obligations under the contract. In case the time for completion of work gets extended, the validity period of bank guarantee will get extended accordingly to cover such extended time for completion of work.
 - d) PG/BG will be forfeited and credited to the Centre's account in the event of a breach of contractual obligations by the contractor.
- vi) **Arbitration :**
 - a) Except as otherwise provided elsewhere in the contract, if any dispute, difference, question or disagreement or matter whatsoever, shall, before and after extended period, hereafter arises between the parties, as to the meaning, operation or effect of the contract or relating to the contract or breach thereof, shall be referred to sole Arbitrator to be appointed by the Director of the Centre at the time of dispute.
 - b) It is a term of the contract that the party invoking arbitration shall specify all disputes to be referred to arbitration at the time of invocation or arbitration under the clause.
 - c) It is a term of the contract that the cost of arbitration will be borne by the parties themselves equally.
 - d) The venue of arbitration shall be Kolkata.
 - e) Subject to aforesaid, the provisions of the Arbitration and Conciliation Act 1996 and any statutory modification or re-enactment thereof rules made hereunder and for the time being in force shall apply to the arbitration proceeding under this clause.

- xv) **Tenderer shall visit the site:** Intending Tenderer shall visit the site and make himself thoroughly acquainted with the local site condition, nature and requirements of the works, facilities of transport condition, effective labours and materials, access and storage for materials and removal of rubbish. The Tenderer shall provide in their tender for cost of carriage, freight and other charges as also for any special difficulties and including police restriction for transport etc. for proper execution of works as indicated in the drawings. The successful Tenderer will not be entitled to claim of compensation for difficulties faced or losses incurred on account of any site condition which existed before the commencement of the work or which in the opinion of the Owner might be deemed to have reasonably been inferred to be so existing before commencement of work.
- xvi) **Workmen Compensation Insurance and Labour Licence:** On receipt of the work order, the contractor has to take the Workmen Compensation Insurance and also labour licence, if applicable, for the workmen being deployed under him for the entire duration of the work as per rules.
- xvii) **Contractor to provide everything necessary:** The Contractor shall provide everything necessary for the proper execution of the work according to the intent and meaning of the drawings, schedule of quantities and specifications taken together whether the same or may not be particularly shown or described therein provided that the same can reasonably be inferred there from and if the Contractor finds any discrepancies therein he shall immediately in writing, refer the same to the Centre whose decision shall be final and binding. The Contractor shall provide himself for ground and fresh water and electricity, fuel etc. for carrying out of the works at his own cost. The Centre shall on no account be responsible for the expenses incurred by the Contractor for hired ground or fresh water obtained from elsewhere
- The rates quoted against individual items will be inclusive of everything necessary to complete the said items of work within the completion of the contract and beyond the unit price no extra payment will be allowed for incidental or contingent work, labour and/or materials inclusive of all taxes and duties whatsoever except for specific items, if any, stipulated in the contract documents.
- The Contractor shall supply, fix and maintain at his own cost, for the execution of any work, all tools, tackles, machineries and equipments and all the necessary centering, scaffolding, staging, planking, timbering, strutting, shoring, pumping, fencing, boarding, watching, lighting etc. by night as well as by day required not only for the proper execution and protection of the said work but also for the protection of the erection, matters and things and the Contractor shall take down and remove any or all such centering, scaffolding, planking, timbering, strutting, shoring etc. as occasion shall be required or when ordered so to do and shall fully reinstate and make good all matters and things disturbed during the execution of the works to the satisfaction of the Centre.
- xviii) **Power Supply:** Unless otherwise mentioned, the contractor shall at his own cost arrange for necessary electricity required for running heavy equipments for construction purpose (i.e. welding etc.) and hutments, stores etc. for entire period of contract. In case the contractor seeks power from the Centre and if sparable, the Centre will charge the cost of consumption of electricity based on meter readings (Meter and related accessories will be arranged by the contractor at his own cost), as per prevailing rate of electricity.

necessary charges for transporting etc, shall have to be borne by the contractor. No extra payment on this account should in any case be entertained. The contractor shall provide all assistance, instruments, machine labour and materials for examining measuring and testing of work and the quality, weight or quantity of any materials used and supply samples before incorporation in the work as may be selected and required by the Centre. All materials should be carried out as per latest I.S. specifications as advised by the Centre.

All materials (except where otherwise described) stores and equipment required for the full performance of the work under the contract must be provided through normal channels and must include charge for import duties, GST and other charges and must be the best of their kind available and the contractor/s must be entirely responsible for the proper and efficient carrying out of the work. The work must be done in the best workmanlike manner. Samples of all materials to be used must be submitted to the Centre when so directed, by the Centre and written approval from Centre must be obtained prior to placement of order.

During the inclement weather the contractor shall suspend concreting, plastering and like for such time as the Centre may direct and shall protect from injury all work when in course of execution. Any damage (during constructions) to any part of the work for any reason due to rain, storm, or neglect of contractor shall be rectified by the contractor in an approved manner at no extra cost.

Should the work be suspended by reason of rain, strike, lock-outs or any other cause, the contractor shall take all precautions necessary for the protection of work and at his own expenses shall make good any damage arising from any of these causes.

The contractor shall cover up and protect from damage, from any cause, all new work and any other requisite protection for the execution of the work whether by himself or special tradesmen or nominated sub-contractor and, any damage caused must be made good by the contractor at his own expenses.

xxiv) Variation / Deviation: The contractor on his own accord shall make no addition, omission or variation without authorisation of the Engineer-in-charge of Centre.

The rates for additional, altered, substituted work shall be arrived at in accordance with the following rules:

- i) The net rates of prices in the contract schedule shall determine the valuation of (the rates for) the extra work (items) where such extra work is of similar character and is executed under similar conditions as the work priced therein.
- ii) If the rates for the extra, altered or substituted (deviated) work are not provided for (available) in the contract schedule, they shall to the extent possible be derived out of rate given in that schedule for similar or near similar items the purpose of such deviation, where necessary and when so directed, the contractor shall furnish detailed analysis for the said similar or near similar items in the contract schedule. For such portions of the analysis for the extra, altered or substituted (deviated) work for which prices cannot be abstracted from the corresponding analysis of rates for the said similar or near similar items in the contract schedule, market rates substantiated by purchase bills/vouchers dependable printed price schedules of building materials of different types shall be

- xxvi) Validity of Quotation:** The Tenderer shall note that his quotation shall remain valid for a period of 90 days from the end date of submission of bid.
- xxvii) Royalties & Patents:** The Contractor shall pay all royalties & license fees. He shall defend all suits or claims for infringement of any patents rights and shall save the owner harmless from loss on account thereof.
- xxviii) Schedule for Completion of Work:** The contractor shall submit a time & progress chart within 15 (fifteen) days from the date of issue of Letter of Commencement (LOC) / work order.
- xxix) Labour & Payment of Wages to labour:** No labour below the age of 18 (eighteen) years shall be employed on the work. The Contractor shall pay to labour employed by him wages not less than fair wages as per provision of the Contract Labour Act, 1970 & 1971 whichever is applicable.
- xxx) Time of Completion:** The entire work is to be completed in all respect within the stipulated period. Time is the essence of Contract and shall be strictly observed. The work shall be commenced within 15 (fifteen) days after handing over the site.
- xxxi) Suspension:** If the contractor fails to start the work within 15 (fifteen) days from the date of issue of commencement letter, the owner shall reserve the rights to proceed to invoke the clause of Termination of Contract.
- xxxii) Termination of Contract:** If the contractor goes into liquidation or becomes insolvent or uses improper materials or fails to proceed with the progress of work to the satisfaction of the owner, the owner shall reserve the rights to abandon/terminate the Contract on one month's notice period.
- xxxiii) Water Supply & Land for Contractor's use:** For the purpose of the job, if necessary, the contractor may establish Site Office, Godowns, labour hutments etc. with the permission of the Centre. If the contractor intend to use Centre's water (if sparable) for work purpose, (except for drinking purpose), If the contractor uses water from the source of Centre (except for drinking purpose) Water Charges shall be recovered from the Contractor @ 1% (one percent) on gross amount of the relevant items of work done.
- xxxiv) List of materials-** The contractor is to use the Approved Brand of materials if indicated in the list of preferred/approved make.
- xxxv) Compensation for Delay:** If the contractor fails to maintain the required progress to complete the work and clear the site on or before the contract or extended date of completion, he shall, without prejudice to any other right or remedy available on account of such breach, pay as agreed compensation the amount calculated at the rates stipulated below as the authority may decide on the amount of tendered value of the work for every completed day/month (as applicable) that the progress remains below or the work remains incomplete. This will also apply to items or group of items for which a separate period of completion has been specified.
- (i) Compensation for delay of work @ 1.5 % per month of delay to be computed on per day basis

(To be typed on a Non-judicial Stamp paper of appropriate value)

FORM OF AGREEMENT

This agreement made the day of 2017 BETWEEN THE Satyendra Nath Bose National Centre for Basic Sciences, Block –JD, Sector-III, Salt Lake, Kolkata-700106 (Herein after called the Employer) of the one part

And

M/s .(Name of the Contractor..... of.....(Address).....in the state of West Bengal (there in after called "the Contractor") of the other part WHEREAS as the employer is desirous that certain works should be constructed, viz (Name of the work).....and has accepted a tender by the contractor for the construction, completion and maintenance of such woks.
